

Cubic White

Our cubic plinths make a perfect display platform for any product. The versatile shape of the plinths allows for a multitude of uses, whether used individually or stacked in multiples. The plinths are finished to a cabinet makers standard with invisible joints and coated in a durable white paint. To add a further level of interest and luxury to these plinths, why not choose from one of our stone top additions available in Carrara Marble and raw Travertine.
